

Below is a summary of the minimum spending requirements needed to reserve a hotel suite or converted guest room at the Hilton Hawaiian Village® Waikiki Beach Resort during PTC'16.

Please read this agreement carefully.

1. Hotel Suite

To be eligible to reserve a **hotel suite** for hospitality, office, meeting purposes, or personal use, you are required to spend a minimum amount on one or more of the eligible PTC items listed in #4 below.

The applicable minimum spending requirement depends on the type of suite rented. To avoid any confusion, please be sure to re-confirm the suite type with the Hilton once your room number is assigned, and check our [website](#) for the tower locations of the suite types.

Type of Suite	Minimum Spending Requirement	
	PTC Member	Non-Member
Parlor only	US\$3,000	US\$4,500
Parlor plus one bedroom	US\$4,000	US\$5,500
Parlor plus two bedrooms	US\$5,000	US\$6,500

This minimum spend requirement must be met for each reserved suite and is in addition to the rates charged by the Hilton. Suites in the Ali'i tower are also subject to these spending requirements if used for meetings, even though conversions are not available.

Note: All suites in the Tapa Tower are exclusively reserved for PTC members. Not a PTC member yet? [Join PTC today.](#)

2. Converting a Standard Guest Room

To be eligible to reserve a **standard guest room** in the hotel and to convert it for hospitality, office, or meeting purposes, you are required to spend a minimum of US\$2,000 (US\$1,000 for PTC members) on one or more of the eligible PTC items listed in #4 below. This spending minimum must be met for **each** reserved room to be converted and is **in addition** to the rates charged by the Hilton.

After your room number is assigned, please check our [website](#) to confirm that your room type is standard, as increased minimum investments apply to non-standard rooms.

Note: All converted sleeping rooms in the Tapa Tower are exclusively reserved for PTC members. Not a PTC member yet? [Join PTC today.](#)

3. Conversion Deadlines

Please be aware that the Hilton's fees for room/suite conversion will **double** if not ordered by Friday, 11 December 2015.

4. Eligible PTC Items

Eligible PTC items include: sponsorships, conference/networker/meeting system/one-day registrations, advertising, exhibit booths/conference cubicles, suite signage (i.e., kiosk or door banner), and meeting tables. (Ineligible items do not count toward the minimum spending requirement. These include: aloha shirts, reception tickets, meeting and function rooms, and membership dues. All payments to the Hilton are also ineligible.)

Note: If you wish to become a PTC'16 sponsor, please sign a sponsorship contract as soon as possible, since sponsorships are very much in demand and availability is limited. Failure to obtain the sponsorship of your choice does **not** exempt you from the minimum spending requirement.

5. Room and Suite Rates

PTC has negotiated standard guest room and suite rates with the Hilton Hawaiian Village® Waikiki Beach Resort, the official conference hotel of PTC'16. Negotiated hotel room/suite rates are available only to PTC'16 Full Conference, Networker, One-day registered attendees, Diamond, Platinum, and Gold sponsors, and exhibitor/meeting cubicle renters (up to six cubicle staff per cubicle). The special room rates apply only to one sleeping room per person. If you have not registered as a Full Conference, Networker, or One-day attendee, not a Platinum, Diamond, or Gold sponsor, or not an exhibitor or cubicle renter (up to six cubicle staff per cubicle), your special room rate will cost an additional US\$25 per night.

Note: This increased rate will supersede any lower rates confirmed by the Hilton.

6. Suite Signage

Kiosk directory listings and door banners will once again be available for purchase. Please indicate below whether you are interested, and we will follow up with the appropriate agreement forms.

- I am interested in kiosk and/or door banner signage.

7. Furniture and Set-Up Requirements
